

**Quark Cotillion Mounting Template**

Directions for using this template:

1. Start at the location for the top hole # 1 on the diagram and mark that on your wall.
2. Use a level or a weighted string to determine a true vertical line descending from that point.
3. Measure vertically down that line 25 5/16" and over 1.5" to point #2. Mark it.
4. Go back to Point 1 and use a level or a square to establish a horizontal line at that point.
5. Measure along that line 31 9/16" to point 3. Measure up 2 3/4" to Point 4 and mark it.
6. Go back to Point 1 and measure out 29 7/16 to Point 5 and down 1" to point 6. Mark it.
6. Temporarily install the sculpture using those two points for each part. Mark the other mounting holes with the sculpture in place.
7. Remove the sculpture. Install the appropriate anchors and permanently remount the sculpture on the wall.
